

# CHIARA FERRARI

## JUNIOR FULLSTACK DEVELOPER

### ABOUT

I started to code for fun and I couldn't stop. I joined Le Wagon Bootcamp, where I spent 10 intense and exciting weeks learning to code. Now I am looking forward to the next opportunity to continue to grow and challenge myself. I am used to working under pressure and in a fast environment, and I am looking forward to using my skills and knowledge in a new challenging environment.
